The WQD issued this NOV and Order to Mr. Taylor for failure to submit the required annual report with WYPDES permit # WY0050539. Glen Garton, a WQD inspector visited the site to discuss the NOV with the owner and was informed the facility is no longer operating due to personal reasons. The facility has been shut down and there are no cattle at the facility. The WQD will allow this permit to expire and this NOV will be considered resolved as of the date of this memo.
